## Refund policies

Tenor Madness will be happy to exchange any defective product (provided that it still exists on the retail market) for a brand new replacement in accordance with the rules stated above provided it is returned to us in otherwise new (mint) condition and retains all factory packaging and printed material in its original, unaltered condition. Merchandise listed under our accessories category must be returned within 7 days of receipt. Refunds will be issued by either store credit for future purchases or an outright refund. A refund by store credit has no restocking fee with no refund of shipping and handling charges. Our restocking fees are as follows:

- Accessories (mouthpieces, ligatures, lefresques, Woodstone screws, etc.): \$7
- Instruments \$2999 and below: \$125
- Instruments \$3000-7999: \$200
- Instruments \$8000-11,900: \$300
- Instruments \$12,000: at seller's discretion

All refunds must follow in accordance with the rules stated above. The returned item or items must be in new (unused) condition and must include all factory packaging and printed material in original, unaltered condition. For in-store credit must be redeemed at Tenor Madness within one year of issue date or be forfeited.

Merchandise listed under vintage or modern mouthpieces must be returned or exchanged within 7 days of receipt. There is no restocking fee assessed when you exchange the mouthpiece for a similarly or higher priced item. In this case, you are only responsible for the difference in price and the additional shipping and handling charges. If you are returning a mouthpiece without an exchange, the refund is subject to a \$7 restocking fee with no refund of shipping charges. Vintage or rare mouthpieces valued \$800 or more are subject to a \$25 restocking fee. Any marks, dings, scratches, etc. that can affect value will be assessed by our mouthpiece repair technician and the customer may be responsible for that loss. Refunds will be issued by company check or credit card refund. The returned item or items must be returned in the identical condition as when they left our store and must include all factory packaging and printed material in original, unaltered condition.

Vintage or modern saxophone and other instruments can be returned or exchanged within 7 days of receipt. We understand that in order to make a final decision that you must play-test the instrument. There is no restocking fee assessed if you are exchanging for a similar or higher priced item. Like the mouthpiece exchange policy, you are responsible for any difference in price and any additional shipping and handling charges. We have a one year trade-up credit on any used or vintage saxophone in which you would be responsible for any difference in price and any additional shipping and handling charges. If you are simply returning an instrument without an exchange, the returned instrument is subject to the appropriate restocking fee as listed above and is calculated from the full purchase price of the

item. All shipping and handling charges are non-refundable on all returned items. If you are returning an exchanged item the restocking fee applies to the original purchase price of the exchanged item and none of the shipping charges are refundable. We will issue all refunds by credit card refund or company check. Tenor Madness will make every effort to issue a refund back to you within 14 days after we receive the returned instrument.

The returned instrument must arrive back to us in the identical condition as when it was sold.

The terms and conditions are subject to change. Any parties determined to be abusing this return policy are subject to restrictions or suspension of return privileges.

Backordered items will only be charged once they are in-stock and ready to ship. Shipping for in-stock and backordered items are automatically adjusted.
